Bean Bag Rules

Registration

- Registration will run from 7:00pm – 7:45 pm.
- First volley at 8:00pm.

Prizes

- Cash awards to first, second, & third place.

Rules

- The game is played by two teams, each team consisting of two players.
- Each team shall have one player at each end of the playing field (one player alongside each box).
- Boxes are to be placed 30 feet apart from center of one hole to the other.
- A coin is tossed at the beginning of the game and the winner of the toss gets to choose if they would like to throw first or to pick which set of bean bags they want.

Scoring

- Once all bags are thrown, all of the points are counted. One point is awarded for a bag that is on the box at the end of the throw, and three points are awarded to any bag that is thrown in or knocked into the hole at the end of throwing. The person who has the most bags in the hole gets those points plus on top if more than the other opponent – points cancel – Bottom always dominates the top.
- If a bag hits the ground and then bounces onto the box, the bag counts if it stays on the box when the board is lifted off the ground.
- The game is played until one team reaches 21.
